Dear Ms Chaki and Mr Rehder

With this letter, the U S Department of Energy/Rocky Flats Field Office is transmitting to your organizations the Draft Proposed Action Memorandum (PAM) for the Source Removal at Trench 1, IHSS 108, Revision 3, May 14, 1997. Copies were hand-carried to each of your agencies for review and comment on May 20, 1997.

We intend to release the PAM for a 30-day public comment period beginning Wednesday, May 21, 1997. We therefore ask that your agency comments be returned for incorporation into the Final PAM by June 4, 1997.

Thank you for your assistance in this matter. If you have any questions or need additional information, please call me at 966-3424 or Norma I Castaneda at 966-4226.

Sincerely,

*Gail S. Hill*
